

GIRLS ARE POWERFUL & JAMF ARE PROUD TO PRESENT

GIRLS ARE POWERFUL DAY

MAY 22, 2021 | 10:00 AM - 2:00 PM CST | VIRTUAL EVENT

Join us for a half-day virtual session with fun interactive activities and growth-provoking material for girls ages 8-17. This year's theme, *Spring into your Greatness*, is designed to inspire participants to embrace and develop their natural, unique abilities so they can grow and thrive.

EVENT OVERVIEW

We seek to encourage girls to reflect on their growth during Girls Are Powerful Day, far beyond the day itself. We will introduce to them the language to fully express themselves and strengthen their unique voices while having the courage to ask for the support they need. We will encourage the exploration of their unique strengths and talents, while actively uplifting and learning from those around them.

SPRING INTO YOUR GREATNESS

During our day, we will focus our time on the following sessions:

Cultivate
Your Soil

What is your
Flower Power?

Pollinating the

Your Garden
